**Description:**

The Philosophy Department originally operated as a separate department offering a major for a very limited time. The major was reduced to a minor that was eventually transferred to the Religion Department in academic year 1983-1984. The minor in Philosophy was discontinued in academic year 1999-2000. Both departments originally fell under the Division of Humanities. With successive organizational restructuring the Religion Department has been part of the College of Arts & Sciences and the College of Humanities and Social Sciences.
