Description: The Department of Biology originally fell under the Division of Natural Sciences and with successive organizational restructuring has been part of the College of Arts & Sciences and the College of Science and Mathematics. From 1988-2000 the Biology Department and the Physical Education Department were combined to form the Department of Life Sciences chaired by the Chairman of the Biology Department.

Collection includes annual reports and action plans, assessment plans and reports, internal self-studies, consultative reports, and reports submitted to accrediting agencies. Prior to 1993-94 annual report consisted of planning schedules that outlined departmental goals and objectives.
